Bart,

Could you please make final edits to the fact sheet and then send to Mike, copy me on it? I am out tomorrow (Friday) but Mike will be here. These are due by tomorrow to Pam so Mike needs to see them asap. He's working on a number of them with us.

Thank you Bart.

Petra

Petra and I put our collective thoughts on this. What are we mis-stating or what is too sensitive for public consumption. See a couple questions in yellow. THANKS for both of your help.
